

F1000 Workspace (Faculty of 1000 Workspace): Download it here – <http://library.weill.cornell.edu/research-support/research-tools/e-resources>

To get to F1000Workspace:

- Open up your browser of choice
- Go to f1000.com
- Once installed and registered, your projects will automatically appear!

Find add-ons here:

- Browser extensions
- F1000 Toolbar for Word

Import citations:

- Here when browsing
- Here when stored

Reading Lists:

- Assign here
- View/Read here

Access and manage your projects here

- The project currently open will be highlighted

Use 'Tags' to identify keywords

- Assign tags for each article here
- Easily filter through large data sets, or across projects here

Remember:

- These tabs are an easy way to get the most out of F1000's features!

Citation libraries for the opened project are displayed here:

- Open PDF to view
- Highlight the relevant sections on the PDF to make notes
